Have you started your Holiday shopping yet? It is about to be that wonderful time of the year! But this year you can not only find that special item but you can support the Canadian Congenital Heart* Alliance too!

We had great success with the 1st 'Virtual Holiday Market' for CCHA that we are holding part 2. Beginning November 30 until December 9, 2020 and will feature nine wonderful vendors. Each will showcase their products and share gift ideas, sales and more over the next week. The BEST (besides getting your holiday shopping done) is that a percentage of all sales during this week will be donated to the CCHA.

Pampered Chef, Epicure, Norwex, GelMoment Nails, Absolute Accessories by Lina, Monat, Scentsy, HOP90 and Stella and Dot
