Organ donations help save lives.

"Every week 5 Canadians die while waiting for a transplant. Yet, a single donor can save up to 8 lives through their organs, and save or heal more than 100 lives through tissue donation."

Click the link below for more details on how you can help change organ registration system and help save lives.

<https://www.change.org/p/gptaylor-mrd-opt-in-to-opt-out-policy-for-organ-donation>

To register for organ donation or for more information, visit <https://www.canada.ca/en/public-health/services/healthy-living/blood-organ-tissue-donation.html#a2> and select your province of residence to register."
